

## COMMUNITY HEALTH FREE CLINIC VOLUNTEERS 2008

1

Our thanks to each and every one of you are endless. Who would have known at the end of this fiscal year our community would be so challenged and the work of volunteers so vital? The Community Health Free Clinic and the patients we serve are blessed beyond measure because of each of you.

**We are very grateful for your volunteer time. In addition, we try to post in the break room thank you letters we receive from grateful patients who speak of your expertise and kindness. Your committed schedules as well as your willingness to fill in for extra shifts when called, adding up to 33,000+ hours, are so very much appreciated.**

**Our staff and volunteers are the advocates for those without a voice needing medical care.**

**THANK YOU!!!!**
