# *Undefeated, Undeterred.*

Since 2002, Community Health Free Clinic has provided free prescription services, medical, dental and vision care to Cedar Rapids' most underserved and overlooked residents.

We've been a reliable source of light through our community's darkest hours—including two floods, a global pandemic and a devastating storm. And we're not stopping anytime soon.

With your support—as a donor or volunteer—we can continue to serve the uninsured, and give our community hope that, together, we can make it through whatever crisis comes next.

## **VOLUNTEERS NEEDED:**

- Medical Volunteers:  
Doctors, Nurses, Medical Students, Pharmacists, Pharmacy Techs.
- Non-Medical Volunteers:  
Admin Support, Fundraising, Leadership

Help us keep our community healthy and resilient.  
Make a donation or sign up to volunteer at [communityhfc.org](https://communityhfc.org)

# Compassion. Respect. Care.

**Dear Friends & Supporters,**

It's hard to believe that 20 years ago, Community Health Free Clinic was operating from a tiny room inside the Jane Boyd Community House, where lines of patients stretched out the door.

When we first began serving patients, we had little more than the roof over our head, a handful of committed volunteers, and an unshakeable vision for what we could accomplish. In what feels like the blink of an eye, support from the community poured in from every direction.

By 2003, we were breaking ground on a brand-new facility that would become our permanent home, thanks to a transformative \$1.48 million gift from the Hall-Perrine Foundation. With a new building and a new infusion of energy and optimism, we added dedicated specialty services to the clinic—including dental and vision care, a Spanish language clinic, and more.

Within the first year of opening the new facility, we served more than 10,000 patients. Since then, our impact has steadily grown. In the last 20 years, Community Health Free Clinic has:

- Helped more than 59,000 unique individuals,
- Provided over 186,000 visits between our Medical, Dental, and Eye Clinics,
- And filled more than \$40,500,000 worth of prescription medications—all at no cost to our patients.

Just as our name suggests, Community Health Free Clinic is and will always remain a community effort. None of what we do would be possible without our donors, staff, community partners, and the thousands of volunteers who have given more than 400,000 hours of their time to help us fulfill our mission.

In 2021—even as the pandemic raged on—our supporters never lost sight of what we're trying to accomplish. Thanks to the people on the following pages, we've been able to serve our community's most vulnerable residents in times of prosperity and misfortune.

***Please consider using the enclosed envelope to make a gift to our Clinic, our patients, and our community. Your generosity will help us continue our good work for another 20 years and beyond.***

*\*Due to the ongoing COVID-19 pandemic many of our volunteers had to take a leave of absence and have not yet been able to return.*

# *A Shot for Recovery*

Throughout the pandemic, Community Health Free Clinic has been invaluable in serving the many people who lost their jobs and insurance, along with those who have large deductibles they cannot afford.

In addition to providing financial support, Clinic staff and volunteers selflessly provided services that kept our community safe and healthy, helping to limit emergency room visits and freeing our hospitals to care for patients with COVID-19.

On January 28, 2021, Community Health Free Clinic hosted its first COVID-19 vaccine clinic. Since then, the Clinic has hosted 23 more primary and secondary vaccination clinics. Mount Mercy University staff and students were instrumental in making this possible. With their help, the Clinic has administered over 2,000 shots since 2021.

In the early days of the vaccine, when appointments could only be scheduled online, the Clinic opened a dedicated phone hotline for anyone having trouble finding a vaccine. Staffed entirely by volunteers, the hotline took hundreds of calls in the first weeks. Not only did we help patients access the most effective protection against COVID-19 available, we eased stress and anxiety in a time of uncertainty.

Despite another year of the pandemic, Community Health Free Clinic continued to serve the greater Cedar Rapids community, providing 14,000 services and filling more than 15,000 prescriptions—a value of more than \$5M.

# The Galbraith Schmidt Society

## The People Who Donate

In 2009, Community Health Free Clinic established The Galbraith Schmidt Society to honor the individuals, families, businesses and organizations who have made a gift of \$5,000 or greater to an endowment fund benefitting CHFC or have included CHFC as a beneficiary of their estate plan in the same amount.

Members of The Galbraith Schmidt Society are recognized in the Annual Report to the Community, as well as on a display in the lobby of the clinic.

When making estate plans, please consider a gift to Community Health Free Clinic. Your financial planner or attorney can assist in determining the best option for you.

If you have already included Community Health Free Clinic in your estate plan, we would like to include you as a part of The Galbraith Schmidt Society.

**Please contact Jamie Henley at 319.200.2545 or email

## Mission

To alleviate human pain and suffering by providing access to and delivery of compassionate healthcare.

## Vision

A collaborative network with healthcare for all; connecting patients with providers and increasing access to medical homes.

## Core Values

**Healthcare** - Inability to pay should not prevent people from receiving health care.

**Respect** - All persons deserve to be treated with dignity and respect.

**Collaboration** - Community partnerships, volunteers and paid staff are essential to accomplish our mission.

**Stewardship** - Effective utilization of resources permits us to assist more people.

**Education** - Promoting patient education and healthcare system awareness facilitates improved health and utilization of resources.

Thank you for helping us keep our  
community healthy and resilient.
