Meeting Needs and People Where They Are

07.01.2021 - 06.30.2022 Impact Report

Undefeated, Undeterred.

Due to the ongoing Covid-19 pandemic, many of our volunteers had to take a leave of absence and have not yet been able to return.

With your support — as a donor or volunteer — we can continue to serve the uninsured and underinsured, and give our community hope that, together, we can make it through whatever crisis comes next.

Volunteers Needed:

Medical Volunteers

- ARNPs
- EMTs
- Medical Doctors
- Medical Students
- Nurses
- PAs
- Pharmacists
- Pharmacy Techs

Non-Medical Volunteers

- Clerical Support
- Finance Background
- Fundraising
- IT Assistance

**Help us keep our community healthy and resilient.

Compassion. Respect. Care.

Dear Friends & Supporters,

March 2023

What a 20th Anniversary year! The Community Health Free Clinic celebrated this major milestone in May of 2022, while continuing to serve thousands of patients in need in our community. Through good times and bad, we're **Meeting Needs and People Where They Are**. We have long been a source of hope and comfort for those less fortunate.

Since 2002, the Clinic has provided free prescription services, medical, dental and vision care to uninsured and underserved residents in Cedar Rapids and the surrounding communities. We've been a reliable source of care and compassion through the darkest days of our community – including two floods, a devastating derecho, and Covid. Last year was no different.

In 2022, we served:

- 3,456 Individual Patients
- 1,610 New Patients
- Provided 15,710 Services
- Dispensed \$5,364,721 in Prescription Medication
- Dispensed \$1,414,912 through our Prescription Assistance Program

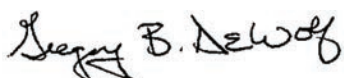

In 2022, we also:

- Expanded our referrals to serve more with podiatry, dental and eye care visits.
- Hired our very first Arc of Eastern Iowa employee (an agency that serves those with intellectual and development disabilities).
- Partnered with the Hawkeye Area Community Action Program to hand out food boxes.
- Continued to assist all patients with affordable health care or Medicaid plan access, and seniors with Medicare enrollment.

Within this Impact Report, you'll read more about the people who make it all possible: our donors, staff, community partners and thousands of volunteer hours that help us fulfill our mission. We couldn't do it without them.

Please consider using the enclosed envelope to make a gift to our Clinic. Your generosity will ensure that we continue our good work for another 20 years – and beyond.

In Friendship,

A Smile for Jeff

Jeff Siebels of Anamosa desperately needed new teeth. With the help of Clinic staff and the Dental Assistance Team, Jeff was able to file the paperwork necessary to obtain dentures. After a short waiting period, Jeff received new upper and lower plates, which he says greatly improved his attitude and digestive health.

"You gave me hope and satisfaction," said Jeff. "When the extraction and dentures were complete, I couldn't believe the fine work done by all. The dentures fit and look natural. I'm in awe and so happy.

"You put the smile back on my face," added Jeff. "If it wasn't for the Community Health Free Clinic, this would not have been possible. God bless you!"

Jeff Siebels

Blessed to Be Here

Registered nurse Sara Kendall has been a volunteer on the front lines of the Community Health Free Clinic for the past 20 years.

"The reason I first started to volunteer at the Clinic is because I have a passion for caring for female reproductive patients," said Sara. "I've now worked in reproductive oncology for 28 years and still volunteer at the Clinic on breaks. I often work with nursing students who do rotations here and educate them about all we have to offer.

"I feel so blessed every time I volunteer at the Clinic, knowing all the people I've met over the last 20 years," she added. "I also appreciate all the patients I've cared for, knowing I've made a difference in their lives."

Sara Kendall, RN, MSN

The Galbraith Schmidt Society

In 2009, Community Health Free Clinic established The Galbraith Schmidt Society to honor the individuals, families, businesses and organizations who have made a gift of \$5,000 or greater to an endowment fund benefitting CHFC or have included CHFC as a beneficiary of their estate plan in the same amount.

Members of The Galbraith Schmidt Society are recognized in the Annual Report to the Community, as well as on a display in the lobby of the clinic.

When making estate plans, please consider a gift to Community Health Free Clinic. Your financial planner or attorney can assist in determining the best option for you. If you have already included Community Health Free Clinic in your estate plan, we would like to include you as a part of The Galbraith Schmidt Society.

Women United Provides Valuable Support

Since 2017, the Community Health Free Clinic has been fortunate to receive funding from Women United (formerly the Women's Leadership Initiative), an affinity group within the United Way of East Central Iowa. Women United connects funds and resources to ensure the well-being of women in need.

Last year, Women United helped the Clinic fund three Patient Navigator positions. These navigators enabled patients to complete financial aid applications and assisted with referrals. As a result, 609 patient services were completed with Patient Navigators in 2022 and nearly \$1,415,000 was provided in total Prescription Drug Assistance.

Our Patient Navigators say they're incredibly grateful to Women United for helping provide these valuable services to patients in need.

"During my six years at the Clinic, I've enjoyed getting to know each patient and help them the best way I can. Sometimes, we're the last stop for patients who feel they've exhausted all other options. It brings me great joy when I can help them and relieve some of their stress."

Kate O'Brien-May, Patient Navigator

"Patients often come in overwhelmed, frustrated and defeated with medication costs. It's an amazing feeling to be able to help lift a burden from their shoulders and feel relief. It's very meaningful to know you can help someone in that way."

Amanda Radeke, Patient Navigator

"Navigating the healthcare system can be overwhelming – especially if a person's care is beyond the scope of the Clinic. Patients really appreciate having someone to assist with the financial application process. It allows them to focus on their healthcare needs and not be burdened with how to pay for them."

Sandra Slaymaker, Patient Navigator

Mission

To alleviate human pain and suffering by providing access to and delivery of compassionate healthcare.

Vision

A collaborative network of healthcare for all; connecting patients with providers and increasing access to medicine.

Core Values

Healthcare	Inability to pay should not prevent people from receiving health care.
Respect	All persons deserve to be treated with dignity and respect.
Collaboration	Community partnerships, volunteers, and paid staff are essential to accomplish our mission.
Stewardship	Effective utilization of resources permits us to assist more people.
Education	Promoting patient education and healthcare system awareness facilitates improved health and utilization of resources.

Thank you for helping us keep our community healthy and resilient.
